

SAN-X SPRAY

Fast-acting sanitizing spray for all surfaces

Faber

SAN-X SPRAY is an alcohol-based fast-drying sanitizing cleaner formulated to be a quick and easy solution to use when in need to sanitize a surface or an area when traveling or on the go.

Thanks to his fast-acting formula, **SAN-X SPRAY** can be sprayed directly on the area to sanitize with no need to work the product with a cloth or a sponge. Its fast-drying formula makes the product ideal to sanitize without leaving any film, residues, or stickiness.

The product is suitable for all surfaces such as plastic, glass, wood, metal, carpet, and the fabric used to cover car/bus/metro seats.

This product is ideal to also sanitize your devices such as phones, tablets, laptops, but also plane seats, door handles, and so on.
